

CHANNELLOCK® 415 10" Tongue & Groove Pliers have all the versatility and strength of straight jaw pliers, but with a smooth jaw design to protect surfaces from scratching (PVC pipe, chromes, etc.). These pliers are built to last with a PERMALOCK® fastener that eliminates nut and bolt failure and a patented reinforcing edge to minimize stress breakage. CHANNELLOCK® Smooth Jaw Pliers are made in USA and forged from high carbon U.S. steel that is specially coated for ultimate rust prevention.

- SMOOTH JAWS provide a strong grip and protect plated surfaces or soft fasteners (nickel, chrome, PVC) from scratching or marring
- RELIABLE PERMALOCK® fastener eliminates nut and bolt failure with increased joint strength
- FORGED high carbon U.S. steel for maximum strength and durability is specially coated for ultimate rust prevention
- UNDERCUT tongue & groove won't slip
- CHANNELLOCK BLUE® grips for comfort
- 100% MADE IN USA
