

CURVED DIAGONAL Cutting Pliers feature a unique curved plier head for additional access and functionality. State-of-the-art laser heat treating offers a strong and consistent pattern across the cutting edge for increased strength and longevity. CHANNELLOCK® Curved Diagonal Cutting Pliers are made in USA and forged from high alloy U.S. steel that is specially coated for ultimate rust prevention.

- HIGH LEVERAGE
- CURVED DIAGONAL
- LASER heat-treated cutting edges last longer
- IMPROVED HIGH CARBON alloy steel for superior performance
- CHANNELLOCK BLUE® grips for comfort
