

Lineman's Pliers, 9-Inch

D2000-9NE

- Lineman's Pliers cut ACSR, screws, nails and most hardened wire
- High-leverage design. Rivet is closer to the cutting edge for 46-percent greater cutting and gripping power than other plier designs
- Induction hardened cutting knives for long life
- Hot-riveted joint ensures smooth action and no handle wobble
- Made in USA with Custom, US-made tool steel
- Streamlined design with sure-gripping, cross-hatched knurled jaws
- Unique handle tempering helps absorb the "snap" when cutting wire
- Precision-hardened plier head for on-the-job toughness
- Plastic-dipped handles for comfort and ease of identification
- "Handform" handles for full gripping and cutting power
- Features combination polished and black-oxide finish
